This is to certify that, Thane Municipal Corporation (TMC) is using key modules i.e. Property Tax, Water Tax, Citizen Facilitation Centre, Marriage Registration and Birth & Death Registration, from the e-Governance software suite "Nagarkaryavali", developed by M/s. ASCENTech Information Technology Private Limited, since 2018.

Property Tax module of Nagarkaryavali software is one of the core revenue modules of TMC, which we are using since April 2018, till date. The Data Migration and Customisation is done in a smooth manner and it is effectively used by tax departments to increase the revenue, since last 3 years. The post implementation support provided by them is also satisfactory.

We appreciate the overall technical expertise and timely service & support extended by ASCENTech Information Technology Pvt. Ltd., for all the above modules implemented in TMC.

This certificate is issued on a request by M/s. ASCENTech Information Technology Pvt. Ltd.
